New outlet opening checklist

Owner, two weeks before opening

Setup in OrderNest in the order that avoids rework.

Outlet: _____ Date: _____ Done by: _____

- [ ] Store created with timezone, day-close hour and GSTIN
- [ ] Menu copied from org level; local prices and availability set
- [ ] Recipes costed for at least 90% of the menu
- [ ] Suppliers and opening stock loaded at cost
- [ ] Printers and KDS stations mapped to categories
- [ ] Staff invited with store-level permissions; attendance kiosk enrolled
- [ ] Aggregator listings connected; test order routed to the KDS
- [ ] Opening balances posted; first day close scheduled
